## Come Out With Pride announces PRIDE FOR TOTS.

**Orlando, Florida, December 3, 2010** – Come Out With Pride just launched a new program, PRIDE FOR TOTS. In the spirit of the holidays, the Board of Come Out With Pride has taken the lead to increase the LGBT community's involvement in making sure no kid would be left behind this season.

***"Poverty, especially that of children is a major problem in our country and affects everyone regardless of their sexual orientation. This is also a great way to mend fences and change hearts & minds by getting our LGBT community more involved in social problems that are universal and that we should all care about".*** said COWP's executive director Mikael Audebert in a statement.

***"While this is our first year, we are confident we will achieve a great collection. With the help of our good friend Commissioner Linda Stewart, we have identified a few organizations in dire need for toys. Some major players have joined our cause and are actively involved in this project,"*** added Audebert .

Come Out With Pride is thankful to a few of its sponsors and participants for the assistance they are providing. From field BMW to Wells Fargo, from Pulse nightclub to Lucky at Rain, all have stepped forward without hesitation. A distribution of the toys collected will be organized after December 17 at the headquarters of the selected organizations that include Wayne Densch Center for Women and Children in addition to the Salvation Army.

Drop off locations include Bananas Café, Wells Fargo Maitland, Field BMW, Bella Vita Medi Spa (which will also give a \$10 gift card for every drop), Watermark, Pulse Nightclub, Re/Max Town Centre, Lucky at Rain nightclub, Vitality Wellness & Spa and The Center. More drop-off locations are available at [www.comeoutwithpride.com/pridefortots](http://www.comeoutwithpride.com/pridefortots)
