EVOLVE HAS EVOLVED!

Orlando, Florida, June 1, 2011

The EVOLVE production team received news late this Monday, 5/30/11, that was both bitter-sweet and exciting! Kelly Rowland has been confirmed as one of the judges for Simon Cowell's smash British television talent competition, THE X FACTOR.

Unfortunately, this commitment will restrict Kelly's performance schedule and she will not be performing this coming Friday, 6/3/11, at the EVOLVE fundraiser for Come Out With Pride hosted by Mr. Sister's. While we regret this last minute cancellation, we are truly excited to share Kelly with the U.K.; we wish her the best!

"This challenge was about stepping up and doing what was right for our community despite the short notice. It took a community like this to escalate Orlando to the largest PRIDE celebration in Florida last year; they didn't let us down and we won't let them down either. EVOLVE committed to an amazing weekend starting on Friday for all of our LGBTQ supporters. This is that promise fulfilled" said Come Out With Pride's Executive Director Mikael Audebert in a statement.

In Miss Rowland's absence, the EVOLVE production team has completed a major event change in less than 48 hours to feature not one but TWO fantastic talents and great supporters of the LGBTQ community. We are extremely excited and *proud* to bring a new, high energy, star studded Friday night lineup to EVOLVE in an hour long show that promises to be nothing short of amazing. Orlando, put your hands up for Kristine W and Kimberly Locke! It's time to EVOLVE!

Kristine and Kimberly are pooling their talent for a fantastic Friday night kick off to EVOLVE with guest DJ, Eddie Baez (6/3/11)! Keep the party going with singing sensation Deborah Cox and DJ Escape on Saturday followed by the Ru Paul Girls and DJ Joanie on Sunday! EVOLVE is going to keep you partying all weekend long and will feature the Pride Party Pad, Orlando's largest outdoor dance floor!

Remember, EVOLVE is all about raising funds for Orlando Gay Pride which expects over 100,000 attendees this year on Saturday, October 8, 2011. So come out, show your pride, and take it to the next level and EVOLVE! Be part of an experience that you'll never forget!

Embracing change for our community and for our world,

The Come Out With Pride & EVOLVE Production team
